

## Seasonal Eco Campsite Warden

*A seasonal lifestyle opportunity with accommodation for an individual or couple who love camping, the outdoors & people*

Comrie Croft is a farm in beautiful Perthshire, reborn as a pioneering family of nature-based enterprises working together to make the world a better place. National Winner of the VisitScotland Responsible Tourism Award 2023.

Eco Camping at Comrie Croft is a wild style adventure, with camp fires, woods, meadows and nature, but also hot showers and nice facilities. We aim to create a peaceful, relaxed, family-friendly atmosphere for all to enjoy. There are 70 tent pitches dispersed through our woods and meadow areas, with restricted vehicle access. Plus 5 campervan pitches.

The Croft is located 2 miles along the footpath (or 5 mins on the regular bus) from the vibrant and friendly village of Comrie. Woods and mountains are accessible from the door and it's only an hour's drive to the culture of Edinburgh or Glasgow.
